CORDS Connecting Organizations for Regional Disease Surveillance

National, Regional and Global Networks of Relevance to APEIR

Version 1.0

Academic and Research Networks

- Vietnam Research Programme (wellcome trust)
- MORU Tropical Research Network (wellcome trust, Mahidol Oxford)
- Global Virus Network (GVN Global Virus Network)
- WHO International Clinical Trials Registry (World Health Organization)
- South East Asia Infectious Disease Clinical Research Network (SEAICRN)
- SouthEast Asia Research Network (SEARN)
- ASEAN University Network (AUN)
- START Southeast Asia Regional Research Center
- Vietnam Biomedical Engineering Network (V-BME) [Vietnam]
- Thai APEIR (TPEIR) [Thailand]
- Southeast Asia Regional Committee for START
- South-East Asia Public Health Education Institutes Network (SEAPHEIN)
- WorldWide Antimalarial Resistance Network (WWARN)
- Japan Initiative for Global Research Network on Infectious Disease (J-GRID)

Asian Partnership on Emerging Infectious Disease Research (APEIR)

APEIR — Asia Partnership on Emerging Infectious Diseases Research

Health Networks

- Asian Urban Health Network (AUHN)
- Global Health Diplomacy Network (GHD-Net)
- SEAMEO Tropical Medicine and Public Health Network (TROPMED)
- Institut-Pasteur International Network (I-P)
- World Health Organization (WHO)
- South-East Asia Primary Health Care Innovations Network (SEAPIN)
- Global Health Security Action Group (GHSAG)
- WHO Collaborating Centres
- WHO Regional Office for Southeast Asia (SEARO)

Laboratory Networks

- Measles and Rubella Laboratory Network (WHO Western Pacific Region)
- Japanese Encephalitis Laboratory Network (JE Labnet) (WHO Western Pacific Region)
- PulseNet Asia Pacific
- Global Laboratory Network for Cholera and other Diarrhoel Infections (CHOLDInet)
- Global Polio Laboratory Network (GPLN)
- Association of Public Health Laboratories (APHL)
- PulseNet Asia Pacific
- WHO HPV Laboratory Network (WHO HPV Labnet)
- Global Laboratory Initiative Tuberculosis Network (GLI TB Lab Network)
- Global Foodborne Infections Network (GFN)
- PulseNet China

Surveillance and Outbreak Response Networks

- Mekong Basin Disease Surveillance (MBDS)
- ASEAN +3 Field Epidemiology Network (ASEAN +3 FETN)
- Malaria Consortium
- Thailand TB Active Surveillance Network [Thailand]
- Mekong Molecular Surveillance Network (WWARN)
- WHO Global Influenza Surveillance and Response System (GISRS)
- WHO Global Outbreak Alert and Response Network (GOARN)
- Asia Pacific Malaria Elimination Network (APMEN)

Political and Socio-Economic Networks

- Asia-Pacific Economic Cooperation (APEC)
- Asian Development Bank (ADB)
- World Organisation for Animal Health (OIE)
- United Nations
- Food and Agriculture Organization (FAO)
- World Bank
- Southeast Asian Ministers of Education Organization (SEAMEO)
- Association of Southeast Asian Nations (ASEAN)
- Asian Rotavirus Surveillance Network (ARSN)
- Asia Pacific Participatory Epidemiology Network
- Asia Pacific Emerging Infections Network (AP-EINet)

Information Networks

- Clinical Data Interchange Standards Consortium (CDISC)
- ProMED Mail
- China Education and Research Network (CERNET) [China]
- FluNet (World Health Organization)
- Vietnam Research and Education Network (VinaREN) [Vietnam]
- WHONET (World Health Organization)
- Global Public Health Intelligence Network (GPHIN)
- Global Laboratory Directory (GLADMap)
- HealthMap

Funding Networks

- Rockefeller Foundation
- Fondation Mérieux
- Global Fund (The Global Fund)
- Skoll Foundation
- GAVI Alliance
- Global Health Initiative (GHI) [USA]
- Gates Foundation
- Nuclear Threat Intiative (NTI)
- United States Agency International Development (USAID) [USA]
- International Development Research Centre (IDRC)[Canada]
- Thailand Research Fund (TRF) [Thailand]
- Give2Asia

One Health Networks

- Connecting Organizations for Regional Disease Surveillance (CORDS)
- ASEAN Region Plant Health Network
- Asia Pacific Network for Global Change Research (APN)
- Southeast Asia One Health University Network (SEAOHUN)
- Thailand One Health University Network (TOHUN) [Thailand]
- Thai One Health [Thailand]

Key

Type: Global Network — Regional Network — National Network
