

Dear MBDS Colleagues,

MBDS has updated regular MBDS XB exchange report from active MBDS cross border (XB) sites, MBDS XB Presentation with analyzed data and MBDS XB compiled data in MBDS website.

The report describes the total number of cases and death from MBDS prioritized exchange report. Data in the report are from all MBDS active XB sites and are categorized by 24 hrs, weekly, monthly and quarterly basis.

The MBDS XB presentation shows the analyzed data from MBDS XB active sites with prioritized diseases and member countries exchanged data analysis are seen in the presentation.

MBDS has also compiled all XB information shared data of prioritized diseases from MBDS XB active sites.

The MBDS XB exchange reports, analyzed presentation and compiled data are uploaded in [this link](#).
