

MBDS monthly update on Oct 2014

Like

MBDS

Dear colleagues,

MBDS has been updating the contact information from [Cambodia](#), [China](#), [Lao P.D.R.](#), [Myanmar](#), [Thailand](#) and [Vietnam](#) at MBDS website.

MBDS have also updated regular MBDS XB exchange report from active MBDS sites, MBDS XB Presentation with analyzed data and MBDS XB compiled data. The report describes the total number of cases and death from MBDS prioritized exchange data. Data in the report are from all MBDS active XB sites and are categorized by 24 hrs, weekly, monthly and quarterly basis from January 2014 to date.

The MBDS XB presentation shows the analyzed data from MBDS XB active sites. Prioritized diseases, XB sites and member countries exchanged data analysis are updated in the presentation. MBDS Secretariat has compiled all XB information shared data of prioritized diseases from MBDS XB active sites.

The MBDS XB exchange reports, analyzed presentation and compiled data are uploaded in [this link](#).
