

**Tel Aviv University School of Public Health
and Johns Hopkins Bloomberg School of Public Health**
7TH ANNUAL

SUMMER INSTITUTE OF ADVANCED EPIDEMIOLOGY AND PREVENTIVE MEDICINE

July 8 – 20, 2018

ABOUT US

The Summer Institute of Advanced Epidemiology and Preventive Medicine at Tel Aviv University School of Public Health was established in 2012 in collaboration with Johns Hopkins Bloomberg School of Public Health. The Summer Institute offers short, intensive courses in epidemiology and preventive medicine, which can be taken for professional development, to enhance current skills, or for academic credit. Courses are taught in English by world-renowned faculty from Israel and international academic and research institutions.

The Summer Institute is co-directed by Professors **Dani Cohen** (TAU), **Tamy Shohat** (TAU), and **Jonathan Zenilman** (JHU).
